

Pocatello Valley Fire Protection District

1. All burning must be conducted between sunrise and sunset.
2. No fire shall be kindled or maintained within 50 feet of any structure.
3. Fires shall be under constant supervision by permittee or other competent adult until such fire is extinguished. Should burn become out of control, the permittee may be held responsible for cost of suppression as well as property damage sustained by others as a result of the fire.
4. Person supervising fire shall have a water hose connected to an adequate water supply and/or other appropriate firefighting equipment readily available for use.
5. The fire chief may prohibit any and all fires when atmospheric conditions or local circumstances make such fires extraordinarily hazardous.
6. Permittee shall not ignite fires when atmospheric conditions would make controlling a fire difficult. If conditions change during a burn that makes controlling the fire difficult, the fire must be immediately extinguished.
7. No person shall kindle a fire upon the land of another without written permission for the owner or agent thereof.
8. The permittee shall not burn when conditions would allow smoke, odor, or heat to enter upon the property of another or upon roads thereby creating a traffic hazard. Material that creates dense smoke or odor shall not be burned.
9. The Sheriff Department Dispatch Center **(208) 236-7114** must be notified prior to starting the burn and when the burn is completed.
10. The permittee shall not hold Pocatello Valley Fire Protection District liable for any damage caused by any fire started or controlled by permittee.
